ETWINNING PROJECT

COOKING CLASS

Children from the 1st Grade, Teleki Domokos Secondary School participate in a project, where each month they learn a new recipe and post about it on the project's blog: <https://cookingclass17.blogspot.ro/>

COOKING CLASS

AIMS

Cooking class project aim is to introduce different countries national food, food products and local raw materials to children. Teachers will cook simple food with children. Most important is that children will learn by doing.

FIRST COOKING

Children like all sort of sweets, so we tried this one - Biscuit Salami; which is specific in our country among the romanian and hungarian nationality too, that live in this area of the country..
